Thanks, Brenda. I've added a few items to the list you started and also saved this version to the OneDrive under Planning Documents. It will be good to keep adding to the same document and print it off before each weekly call.

I also mentioned this idea to Hodayah and Brianna so I am looping them in now to get their feedback on the list of pending items.

Thanks again...
Anna

Mark and Anna,

I've started a list of to dos and questions related to the Italy mission to help us track action items in between our weekly calls. Let me know if this would be helpful to share with Keven and Millan and if you have other items to add. Thanks.

Subject: FW: EPA Roundtable with U.S. Business Leaders -- Participants

Assuming that there will need to be an ethics review of the list of participating companies for regulatory or other implications, is that something that AO initiates/handles directly...?

Hi Caron,

Just to give you a sense of what we are thinking, below is the list of companies we are planning to invite to the EPA roundtable. We tapped colleagues in our EU office who had a few suggestions, and they are reaching out to AmCham EU to potentially identify others. We welcome any additional companies you know of as well. Then as soon as the date and time is locked in we can send the save the dates.

**Subject:** Updated Notional Itinerary for Visit of Administrator Pruitt

Hello Team Italy,

I had the opportunity to meet with Administrator Pruitt and his political team regarding his upcoming mission to Italy. I am attaching a draft itinerary which reflects the changes based on these meetings and some things we heard from you as well. I did pass on the Embassy request that Administrator Pruitt return to the U.S. from Bologna, but he has decided to return to the U.S. via Rome. I am still waiting for confirmation of his flights so that we can work transport back to Rome around that need. I am sure that there will be a lot of questions and I look forward to walking you through the schedule on our next conference call this coming Tuesday morning.

I hope that you all enjoyed your long holiday weekend in Italy.

Best regards, Mark
